Course Objectives

- Increase effectiveness in practice through a better understanding of the disability and compensation systems and the related law in the US
- Learn the critical steps involved in providing medical expert witness and independent medical examination services
- Understand the liabilities and risks for independent medical examiners and how to manage those risks
- Learn essential skills for deposition and other testimony in court
- Improve the knowledge of medicolegal considerations for independent medical examiners

This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Chicago Medical Society and American Board of Independent Medical Examiners. The Chicago Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

The Chicago Medical Society designates this educational activity for a maximum of 4 hours in category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
