Presents**

Segment Two – 4 hrs AMA Category 1 CME Credit

**Return to Work and Fitness for Duty Decisions –
How to Use a Function Based Approach Workshop (Course No. RTW)**

Cost: \$350.00 US Funds

Course #RTW

Intended Audience: Physicians from a variety of Specialties

Presented By:

Randy Soo Hoo, MD, MPH, FACOEM, CIME - Dr. Soo Hoo is a specialist in Occupational Medicine and Family Medicine. He is board certified in both specialties and currently serves as the Medical Director for Medical Dimensions, Inc. in Tucson, Arizona. He is also Assistant Professor of Clinical Medicine, Department of Medicine College of Medicine University of Arizona.

Navigating the Return to Work and Fitness for Duty process can be frustrating for the medical provider and end-user. The frustration is fueled by the lack of standardization for the understanding of concepts and terminology necessary for a return to work and fitness for duty determinations and due to the lack of standardization of information requested on forms from employers or third party administrators.

Misjudgments can result in an adverse financial impact or claims of negligent assignment. Utilizing an evidence based functional approach is effective method to navigate the process and assists the medical provider in making an evidence based return to work determination in completing Return to Work, Fitness for Duty, and disability forms.

Course Locations & Times

- Friday, October 27, 2017 - 8:00am ó 12:00pm ~ Las Vegas, NV (Hilton Garden Inn LV Strip South)

Educational Objectives

At the conclusion of this learning activity, the participants should be able to:

- Define terms and concepts commonly used in Return to Work, Fitness for Duty, and disability determinations.
- Correlate biomechanical and medical consideration to functional elements of work.
- Discuss clinical tools used to evaluation physical functional capacity
- Provide strategies for completion of Return to Work, Fitness for Duty, and disability forms.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Marshall University Joan C. Edwards School of Medicine and ACDM/ABIME. Marshall University Joan C. Edwards School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Marshall University Joan C. Edwards School of Medicine designates this educational activity for a maximum of 4 AMA PRA Category 1 Credit(s) . Physicians should only claim credit commensurate with the extent of their participation in the activity. Segment registration and attendance verification are required.
