Presented By:

Gerald S. Steiman, MD, CIME: Is board certified in Neurology. He has over 25 years experience in clinical practice of Neurology. He has authored several articles which focus on the significance of various neurological diagnoses to the Independent Medical Examiner and Disability Evaluator.

Dr. Steiman does not have any disclosures to make

This course is specifically designed to educate and prepare physicians to provide high quality evaluations of traumatic brain injuries and claims of concussions.

Course Locations & Times

- Friday, February 1, 2008, 2:00pm-6:00pm ~ Tampa, FL (Clarion Hotel & Conference Center)
- Friday, May 30, 2008, 2:00pm-6:00pm ~ Chicago, IL (University Conference Center Downtown Chicago)
- Friday, August 15, 2008, 2:00pm-6:00pm ~ Las Vegas, NV (Alexis Park Hotel & Resort)
- Friday, October 3, 2008 2:00pm-6:00pm ~ Charlotte, NC (Hilton Charlotte Executive Park)

Course Objectives

At the conclusion of this learning activity, participants should be able to:

- Discuss the diagnostic criteria and have a detailed knowledge of the various somatic, behavioral and cognitive complaints which accompany traumatic brain injuries.
- Conduct a thorough evaluation of claims of concussion and be able to diagnose a post concussive syndrome.
- Interpret the commonly encountered neuropsychological tests.
- Discuss the recovery profile following a concussion.
- Apply the knowledge to clinical practice based on the current scientific literature.

This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Chicago Medical Society and American Board of Independent Medical Examiners. The Chicago Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

The Chicago Medical Society designates this educational activity for a maximum of 4 hours in Category 1 Credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
